**GOVERNMENT'S RESPONSE TO DEFENDANT'S MOTION TO SUPPRESS**

COMES NOW the United States of America, by and through Leura G. Canary, United States Attorney for the Middle District of Alabama, and in response to the Motion to Suppress filed herein, the following is submitted:

1. On Sunday, November 5, 2006, Montgomery Police Officers were informed the defendant had shot at someone with an assault rifle and fled the area in a white Chevy pickup. The pickup was spotted and tried to elude pursuing officers. The driver finally fled from the vehicle which was found to contain a loaded SKS assault rifle, two banana clips and fifty three 7.62x39 rifle rounds. The driver avoided arrest that day but Christopher Washington was listed as the suspect.

2. A warrant check revealed Washington had several misdemeanor warrants outstanding and was a convicted felon.

3. On November 6, 2006, Montgomery Police received a 911 call that reported Christopher Washington had shot at him and fled in a green Trailblazer. That vehicle was observed and the driver again fled from the vehicle at 1817 Kansas Street and was positively identified as Christopher Washington. A search of the Trailblazer revealed a box of .45 caliber ammunition on the floorboard on the passenger side.

4. On November 9, 2006, Montgomery Police Officers observed a green vehicle in front of 1817 Kansas Street and after the vehicle left that address, it was eventually stopped with the driver fleeing back toward Kansas Street. The subject, Christopher Washington, was taken into custody and transported to police headquarters for questioning.

5. During questioning, Washington admitted being the subject who ran from police on Sunday with the SKS and also admitted buying the box of ammunition that was found on November 6.

6. Prior to questioning, Washington was advised of his constitutional rights and executed a rights form (See Exhibit A).

Wherefore, premises considered, the United States submits the Motion to Suppress is due to be denied.

Respectfully submitted this the 2<sup>nd</sup> day of March, 2007.
